Golf in Kitzbühel

Shaped by the mountains, its zest for sport and the pursuit of the extraordinary - Kitzbühel is a synonym for passion, one that gives rise to an unmistakable way of life.

The Legend. Kitzbühel has a long-standing golfing tradition, having opened its first course in 1955. The most legendary sports town in the Alps presents the ultimate diverse selection for golf enthusiasts. Golf epitomises Kitzbühel in the way that skiing, gastronomy and general “joie de vivre” does. For seasonal partners marry golf and skiing in spring and autumn – perfection.

Golfer’s Paradise in the Heart of the Alps. With four golf course within a five minute drive, Kitzbühel welcomes both golf professionals and aspiring golfers alike. Against a breath-taking backdrop this golfer’s paradise offers a variety of play options right in the heart of the Alps. It could be the 18-hole course at Kitzbühel-Schwarzsee-Reith Golf Club, the 9-hole course at Premium Eichenheim Golf Club or making use of the facilities at the Rasmushof Golf and Country Club – your perfect tee off spot awaits. There are another 30 golf courses within a radius of 100 kilometres. The region, therefore, is one of Europe’s largest connective golfing communities. With the Kitzbühel Golfcard (Golf Alpin Card) success on the greens can be earned at the select Kitzbühel Golf Circuit with a jaw-dropping alpine panorama.

Kitzbühel Golf Courses. Four golf courses, 54 holes and 10 golf partner hotels are the key to Kitzbühel’s golfing success. The pinnacle of alpine golf is the select Kitzbühel Golf Circuit played over the four courses and is a must for any golf enthusiast. The golf hotels in Kitzbühel provide a service specifically tailored to golfers needs.

The 18-hole course at *Kitzbühel-Schwarzsee-Reith Golf Club* earned the title Austrian Golf Club of the year 2016. It is characterised by challenging water obstacles and an enviable panorama. The variety of fairways and well-balanced terrain presents an ideal playing field for all golfing types. Players can cool down straight away in “Lake Schwarzsee”, the warmest moorland lake in the Alps.

Eichenheim Golf Club, designed by US designer Kyle Phillips, craggy rock faces and dense deciduous forests define this generously laid out championship course. The 18-hole course demands a high degree of sporting prowess and is accentuated by its exclusive ambience.

The 9-hole *Rasmushof* was Kitzbühel’s first ever private golf club. This traditional facility is located just 5 minutes from the city centre and directly at the finish area of the legendary Streif Downhill, attracting numerous prominent players. This 54-par site is ideal for beginners but throws up plenty of challenges for professionals too.

The picture perfect 9-hole course of the *Kitzbühel Golf Club* is found on the sunny side of town and has a golfing tradition of some 60 years. In 2006 certain elements of the grounds were re-designed to incorporate the old castle wall - an impressive golf setting now boasting 2 island greens. The Kasper Castle grounds is where you will find the professionals.
